

COOKING UP CHANGE

Healthy Schools Campaign's Annual Benefit + Healthy Cooking Contest
Thursday, November 3, 2011, 6-9 PM
Bridgeport Art Center, 1200 W 35th Street, Chicago, IL

Thank you for your interest in supporting Cooking up Change! This year, HSC is offering two ways to lend your support: through the long-established Host Committee at the heart of the benefit's success or through the Green Leader Circle, a new group of advocates, professionals, parents and community members under age 35. Both play an integral role in the success of Cooking up Change.

"If we teach young people about healthy food and then reinforce that in our cafeterias, just imagine the transformative effect it could have on everyone's health. I am happy to be part of Cooking up Change. I hope you will join me."

Karen Duncan, 2010 National Honorary Co-Chair of Cooking up Change and wife of Secretary of Education Arne Duncan

Host Committee and Green Leader Circle members play a key role in elevating student voices and make a meaningful difference for healthy food and physical activity at school in Chicago and beyond.

"I learned that I can help change what we eat in schools, at my school and across the country."

Cari Smith, high school culinary student, on the Cooking up Change healthy cooking contest

All Cooking up Change proceeds benefit Healthy Schools Campaign, a nonprofit organization dedicated to making schools healthier places for all students. We welcome your participation and your commitment to improving the health and wellness of students in Chicago and nationwide.
