Required Products

The green cleaning requirements established by the state of Illinois require that schools purchase green cleaning products in six categories: bathroom cleaners; carpet cleaners; general purpose cleaners; glass, window and mirror cleaners; hand cleaners and hand soaps; and paper products. The following listings include the products provided by Chemcraft that meet the relevant standards for each category.

General Purpose Cleaners

Illinois Green Clean Schools guidelines require that general purpose cleaners used in schools meet standards set by Green Seal, Environmental Choice, or U.S. EPA Design for the Environment.

Summit HD Multi-Purpose Cleaner SSS EarthCare

Green Seal certified

Cleans, degreases, brightens, plus neutralizes odors. Effective on oil and water-based soils. Leaves no residue to help prevent resoiling. Removes petroleum based soils such as grease, oil and grime. Effective against protein soils found in food processing plants and institutional kitchens. Formulated in partnership with EPA DfE initiative. Available in gallons and Navigator Dilution Control System.

TerraGreen Neutral Cleaner

Green Seal certified

The only Green Seal cleaner with a blooming fragrance, smells clean and pleasant. Ultra concentrated. All-Purpose Cleaner, non-dulling, great for floors. Great for daily use. Available in several sizes or Black Shadow Dilution Control System.

Compass Neutral Floor Cleaner SSS EarthCare

Green Seal certified

High performance neutral pH Cleaner. Prolongs the life of floor finish. Designed for daily auto scrubbing or damp mopping. Hydrogen Peroxide Based formula. Formulated in partnership with EPA DfE initiative. Available in gallons or in Navigator Dilution Control System.

Bathroom Cleaners

Illinois Green Clean Schools guidelines require that bathroom cleaners used in schools meet standards set by Green Seal, Environmental Choice, or U.S. EPA Design for the Environment.

Fresh Start Washroom Cleaner SSS EarthCare

Green Seal certified

Concentrated general purpose washroom cleaner. Effectively removes soap scum and other bathroom soils. Safe on porcelain, tile, stainless steel, and aluminum. Eliminates unpleasant odors including urine and mildew. Use as a daily washroom cleaner. Available in gallons or Navigator Dilution Control System.

Glass, Window and Mirror Cleaners

Illinois Green Clean Schools guidelines require that glass, window and mirror cleaners used in schools meet standards set by Green Seal, Environmental Choice, or U.S. EPA Design for the Environment.

Infinity Glass Cleaner SSS EarthCare

Green Seal certified

Highly concentrated glass cleaner. Removes soil from glass and other hard surfaces. Film free - prevents resoiling and streaking. Spray and wipe or use with a sponge and squeegee method. Available in gallons or in Navigator Dilution Control System.

TerraGreen Blue Glass Cleaner

Green Seal certified

Glass and multi surface cleaner. Non-filing, non-streaking formula. Cuts through film quickly. Safe for coated glass. Available in several sizes or Black Shadow Dilution Control System.

Carpet Cleaners

Illinois Green Clean Schools guidelines require that carpet cleaners used in schools meet standards set by Green Seal, Environmental Choice, or U.S. EPA Design for the Environment.

Chemcraft does not currently offer any products that meet the Illinois standards in this category.

Hand Cleaners and Hand Soaps

Illinois Green Clean Schools guidelines require that hand cleaners and hand soaps used in schools meet standards set by Green Seal, Environmental Choice, or U.S. EPA Design for the Environment.

Chemcraft does not currently offer any products that meet the Illinois standards in this category.

Paper

Illinois Green Clean Schools guidelines require that paper products used in schools meet standards set by Green Seal, Environmental Choice or the U.S. EPA Comprehensive Procurement Guidelines.

Chemcraft does not currently offer any products that meet the Illinois standards in this category.

Recommended Products

The green cleaning guidelines include recommendations for products that go beyond the law's requirements. While the law requires that schools purchase and use green cleaning products in the previous six categories, it recommends (but does not require) that schools use green cleaning products and practices in a broad range of additional categories. The guidelines' authors explain that in addition to meeting the requirements, "schools may wish to implement a more comprehensive green cleaning program and are encouraged to do so." The following listings include the products provided by Chemcraft that meet the guidelines' recommendations.

Recommendations

To learn more about the guiding principles behind the recommendations, please download the full guidelines, available online at www.GreenCleanIllinois.org.

Atlas MP Cleaner Degreaser SSS EarthCare

Green Seal certified

High performance, multi-purpose cleaner. Cleans, degreases, brightens, and deodorizes. Use is "scrub and recoat" floor applications. Effective on oil and water-based soils. Leaves no residue to help prevent resoiling. Formulated in partnership with EPA DfE initiative. Available in gallons or in Navigator Dilution Control System.

TerraGreen Degreaser

Green Seal certified

Great multi-purpose Industrial strength cleaner and degreaser. Great for heavy duty cleaning. In Auto scrubber its ideal for deep scrubbing prior to recoating. Cleans most soils at a 1:64 dilution ratio. Available in several sizes or Black Shadow Dilution Control System.

Legacy Metal Free Floor Finish SSS EarthCare

Green Seal certified

Environmentally preferable metal-free floor seal and finish formulated with the most advanced polymer technology. Low odor finish has exceptional durability and can be maintained with scrub and recoat procedures, spray buffing or high speed burnishing. Available in 5 gallon pails.

Take Down Low Odor Floor Stripper

Green Seal certified

Low odor, non-toxic, non-corrosive, non-butyl seal and finish remover. Dissolves multiple coats of finish without harsh alkalis, butyl cellulose or strong ammonia odors. Rinse free- leaves no residue to interfere with subsequent finish applications. Available in 5 gallon pails.

About Green Clean Illinois

The Green Clean Schools Act, effective May 9, 2008 in Illinois, requires schools to use cleaning products that protect health without harming the environment. It requires that certain cleaning products meet third-party certifications, and offers overall guidance for an effective green cleaning program.

The distributors and manufacturers who provide cleaning products to schools play a key role in protecting the health of children, teachers and staff by working with schools to design effective green cleaning programs. The organizations who have joined the Green Clean Illinois team have either attended a Green Clean Illinois workshop provided by Healthy School Campaign, ISSA and the Office of the Lt. Governor of Illinois or have provided information ensuring that they sell products and services that comply with requirements and/or recommendations of the Green Clean Guidelines for the State of Illinois.

Listing fees provided by companies are used to promote training, education and awareness of green cleaning programs by the Healthy School Campaign, ISSA and the Lt. Governor's Office. Listing on this web site does not constitute an endorsement or recommendation by the aforementioned groups.
